Fuelling the Future of Racing: SPILLERS Partners with The Jockey Club

Published August 14, 2026

At SPILLERS, we are deeply committed to the long-term success, health, and sustainability of the UK breeding and racing industries. That is why we are absolutely thrilled to announce our official new partnership with The Jockey Club—one of the country's most historic and respected racing organisations.

This nationwide collaboration brings together our 65-year heritage of scientific equine research with some of the UK's most famous tracks and training grounds.

Where You'll Find Us: Supporting Racing Across the

UK

This exciting agreement establishes a prominent SPILLERS presence across seven Jockey Club racecourses, including:

- Carlisle
- Exeter
- Huntingdon
- Market Rasen
- Nottingham
- Warwick
- Wincanton

Beyond the racecourses, we are proud to support trainers and breeders at two of the world's most legendary training facilities: the famous gallops at Newmarket and Lambourn.

Whether a thoroughbred is undergoing early yearling training, preparing for a race, or recovering on box rest, our presence at these key locations ensures that expert nutritional support is always within reach.

Championing the Needs of the Thoroughbred

Our [specialist racing range](#) is formulated to meet the high-intensity demands of elite equine athletes. From fuelling Grand National winners to supporting horses through rehabilitation, our feeds are backed by decades of rigorous scientific research.

"Racing is a core focus for our brand. We are absolutely thrilled to partner with The Jockey Club. Working with such a respected organisation is the perfect way to invest back into and support the Racing industry. At SPILLERS, we know just how hard elite sports horses work and have fine-tuned our range of feeds to support the specific needs of the thoroughbred."

— Charlotte Mitchell, Thoroughbred Nutritionist

Charlotte explains that this collaboration is the ultimate way to put science into practice: "This exciting new partnership allows us to combine over 65 years of scientific research in nutrition with the legendary venues of The Jockey Club, ensuring trainers have access to the trusted nutrition required to maximise their horses' health, wellbeing, and performance

on the track."

A Shared Dedication to Sustainable Breeding and Racing

The Jockey Club shares our passion for the sport's long-term sustainability and the welfare of the horses that make it possible.

"We are delighted to be beginning a new partnership with SPILLERS. At The Jockey Club we're dedicated to ensuring the long-term success and sustainability of British horseracing and breeding. We're excited to have them on board as a partner of seven of our racecourses and the training facilities in Newmarket and Lambourn. We hope this is just the beginning of a long and successful partnership."

— Matt Powell, Head of Partnerships at The Jockey Club
